The goal of ILAIS is to promote the exchange of ideas, experiences, and knowledge among IS scholars and professionals engaged in the development, management, and use of information and communications systems and technology.

ILAIS is pleased to announce that the 3rd ILAIS conference will be held on June 1st, 2008 at The Max Stern Academic College of Emek Yezreel.

Invited key-note speeches as well as peer-reviewed papers and panel discussions will be presented at the 3rd ILAIS conference.
