Call for Papers for the Research Sessions

The Israel Association for Information Systems (ILAIS) is a non profit association, founded in 2005 as the Israeli chapter of the Association for Information Systems (AIS). ILAIS goal is to promote the exchange of ideas, experiences and knowledge among IS scholars and professionals engaged in the development, management and use of information and communication systems and technology.

ILAIS is pleased to announce that the 4th ILAIS annual conference will be held on May 31st, 2009 at Ben Gurion University of the Negev. The conference objectives are to provide peer feedback and advice along with opportunities to seek collaboration for current or future studies as well as to strengthen the community of IS researchers in Israel.

We would like to invite you to take part in our conference by submitting an abstract of research-in-progress or recently completed research.

Submission Guidelines

We would like to encourage faculty members and doctoral students to actively participate in the conference by submitting either an extended abstract of a research paper (research in progress or recently completed research) or proposing a topic for a panel discussion (with discussants). Submissions (1,000-1,200 words in MS Word, PDF format or Open Office Word Processor) should include: title, authors or discussants, keywords, introduction, objectives, method, results and conclusion. Please send submissions to rgilad@bgu.ac.il. Authors must grant ILAIS the right to publish them online prior to the meeting, but will retain all other copyrights.
