Call for Papers

The 5th annual ILAIS (Israel Association for Information Systems) conference will be held on June 29, 2011 at The Open University of Israel in Raanana. The Program Committee invites researchers to submit extended abstracts and panel proposals.

Submission Guidelines

Faculty members and research students in the IS field are encouraged to submit by **April 8, 2011** a research paper abstract or a panel proposal (800-1,200 words, in English, in one of the following formats: MS Word, RTF or Open Office) to ILAIS2011@gmail.com. Authors must grant ILAIS the right to publish the abstracts or proposals online prior to the meeting, but retain all other copyrights.

Research paper abstracts (research in progress or recently completed research) should include: title, author(s), introduction, objectives, method, results, and conclusion. The structure of theoretical/conceptual papers can be adjusted as needed.

Panel proposals should include: title, description of the panel, names and short (~50 words each) bios of 3-5 discussants.
