

15th ILAIS Conference

July 6, 2021

The Open University of Israel

Call for Papers

The Israel Association for Information Systems (ILAIS) was founded in 2005 as the Israeli chapter of the Association for Information Systems (AIS). The goal of ILAIS is to promote the exchange of ideas, experiences and knowledge among IS scholars and professionals engaged in IS development, management and use.

The 15th annual ILAIS conference will be held on July 6, 2021 at The Open University of Israel. ILAIS 2021 will be either a fully online virtual event or a hybrid event, enabling onsite as well as virtual participation. The Program Committee invites faculty members, research students, and industry researchers in the IS field to submit:

- **Completed Research** (1,200-2,500 words, 20 minutes for presentation and discussion). Each submission should include: introduction, theory, method, results, implications and conclusions. [Link to the template](#)
- **Research-in-Progress** (800-1,200 words, 10 minutes for presentation and discussion). Each submission should include: introduction, theory, method, results (if available), implications and conclusions (if available). [Template](#)
- **Recently Published Research**. Forthcoming or recently published (2020-2021) IS research (10 minutes for presentation and discussion). Please send the full paper for consideration. Only the title and a DOI link will be published.

To enable international participation, the language of the conference is English.

Please submit by **April 25, 2021**, via EasyChair:
